Quality of life incidents and misdemeanors, including petty theft, remain issues along the 7<sup>th</sup> Street and Hill Street corridors. The Safety team is refocusing deployment on those streets with increased foot and bicycle patrols during peak hours.

The DCBID is working with LAHSA and its Emergency Response Team to give service options to the chronically homeless.

We have been working with the LAPD on the 4<sup>th</sup> and 5<sup>th</sup> Street Metro Station regarding public intoxication and other quality of life issues. We are documenting all activities in anticipation of our meeting with the Los Angeles County Sheriffs so that we can request more vigilance on properties that they are responsible for.

Maintenance completed a special project along the 3<sup>rd</sup> and Flower/Hope Street median to remove weeds, trash and other debris. We have been assured that the City will maintain this area going forward.
